AEMORANDUM FOR THE RECORD	
derning Meeting of 17 August 1965	
He noted an outgoing message	:
row the Department to Saigon requesting that Intelligence assessments.	
f possible, be kept out of the NODIS and EXDIS channels. The DCI expressed his opinion on the significance of recent developments con-	
erning negotiations with North Vietnam.	
Abbot Smith expressed the desire that interrogation reports on	
fiet Cong captives be furnished to Headquarters. There was a consider	•
able discussion of this item. (See action item 1)
